SHIPMENT DAMAGE

Merchandise we ship is carefully packed in compliance with carrier requirements. The carrier assumes responsibility for safe delivery upon acceptance of the shipment. Claims for loss or damage in transit must be made with the carrier for Freight and Express shipments. For Parcel Post or UPS shipments, you should contact Barker Microfarads for instructions on handling the claim.

CONCEALED LOSS OR DAMAGE does not become apparent until shipment is unpacked. Make a request for inspection by the carrier's agent and file claim with the carrier.

VISIBLE LOSS OR DAMAGE Any external evidence of loss or damage must be noted on the Freight bill or Express receipt and signed by the carrier's agent. Failure to do this may result in the carrier refusing to honor the claim. Barker Microfarads is not responsible for damage incurred in transit. The transportation company rates include insurance and they will settle damage and loss claims.

ANY CORRESPONDENCE ON LOSS OR DAMAGE MUST BE ACCOMPANIED BY A COPY OF THE CARRIER REPORT.

UNAUTHORIZED RETURNS WILL NOT BE ACCEPTED
